

Forest Knolls Pool

HOME OF THE SEAHAWKS SWIM TEAM

Dear Fellow Members of the Forest Knolls Pool:

For over forty years Forest Knolls Pool has been an important part of our community. It is known as a place to relax, swim, socialize, and even have dinner with many friends some of which we only see over the summer time months! There are many memories that have been shared and the pool is like our own “summertime” family.

As a Board, we have worked hard over the winter to prioritize the improvements needed to guarantee the pool will be functional for many years to come. As a result of the survey responses from last season and much research, The Board has determined the most important and long lasting improvement we can make is a new white coat on the pool. This is a major repair and not one that can be accomplished by volunteers. It requires the contracting of professionals.

A large part of the consideration for this project is that it is also the most costly of the improvement projects. While we have made significant strides in accumulating reserve funds for the pool, the white coat project cannot be undertaken without obtaining outside funding. Therefore, the Board has authorized a special capital improvement assessment of \$50.00 per membership for the 2008 season. This assessment is in addition to the annual dues. The assessment can be made in two payments, June 15th and July 15th. Details of all the work that is being done is outlined in the newsletter that you should have received from me.

The money collected through this assessment will be used only for payment towards the white coat and will not go towards our normal operating costs. This assessment will assure that Forest Knolls Pool will be open to our members and available for use for many summers to come.

We are very excited about all the changes and are sure you will appreciate them as well. Forest Knolls Pool is more than the pool and the building – it is a reflection of the members. Let’s work together to make the pool a better place to we all want to come to for another forty years!

Respectfully,

Laura Richaudeau, President
Forest Knolls Pool Board
